

Employment during the MPAS Program

Students are strongly discouraged from seeking or maintaining employment while enrolled in the program. If a student does work and encounters academic and/or disciplinary problems, the student may be counseled to cease employment. Under no circumstances will employment be considered as a reason for excused absence from the student's didactic or clinical education commitments, nor will student employment considerations mitigate evaluation of outcomes.

Matriculated PA students will not be employed by the Physician Assistant Program under any circumstances. Students will not be allowed to perform clerical or administrative work for the program.

During clinical rotations, students will not be used to substitute for regular clinical and/or administrative staff. If a student is asked to substitute for regular staff on a rotation, he/she should inform the clinical coordinator or program director immediately.
