## **VA Yellow Ribbon Program Information and Application Form For The 2017-18 Academic Year**

The Yellow Ribbon Program was established by the Post-9/11 Veterans Educational Assistance Act of 2008. The Post-9/11 GI Bill will pay up to \$22,805.34 for your tuition and required fees. Under the Yellow Ribbon Agreement, RMC will then contribute 50% of the remaining tuition and required fee expenses and the Department of Veterans Affairs will match that amount. Required fees include: Academic Lab fee - \$70 per semester, Campus Technology fee - \$90 per semester, ASRMC Student Government fee - \$90 per semester, and ASRMC Student Publication fee - \$15 per semester only. Room fees, meal plan fees, and fees for specific courses such as aviation lab fees, private music lesson fees, equestrian stall fees, online course fees, and all other course specific fees are not considered. The Yellow Ribbon Program scholarship replaces any other RMC scholarship offers. Any RMC institutional funding that may have been awarded prior to RMC's knowledge of the availability of the Post-9/11 GI Bill are rescinded.

All VA stipend payments are determined by the VA regional processing office only. You will receive a letter explaining these benefits after your enrollment is processed.

RMC certifies enrollments at the beginning of each term. Yellow Ribbon funds are disbursed once per term. The VA could take 4-8 weeks to process enrollment certifications after they have been submitted. Budgeting in advance for books and personal expenses is suggested.

RMC will certify your tuition and required fee charges for each semester. If you choose to enroll in a course that charges a fee beyond the required fees listed above, you are responsible for paying the extra fee.

If you withdraw from or stop attending any classes, you may be required to pay back the tuition and fees for those classes to the VA. You must notify the Financial Aid Office if you change your schedule or withdraw from any class.

If you are transferring in to RMC you must submit a VA Form 22-1995 to the Financial Aid Office. This form is available in the Financial Aid Office or on line at <http://www.vba.va.gov/pubs/forms/VBA-22-1995-ARE.pdf>.

You will be eligible to continue receiving this benefit as long as you have VA eligibility for it and you stay within RMC's Satisfactory Academic Progress requirements. RMC's Satisfactory Academic Progress requirements can be found on line at <http://rocky.edu/admissions/financial-aid-scholarships/SatisfactoryAcademicProgress.php>. If you run out of eligibility to receive the Post-9/11 GI Bill, RMC will reconsider offering you financial assistance based on current merit, talent, and/or need according to most recently established awarding parameters for transfer students.

### **Student Certification:**

I certify I have read the above and understand my reporting and payment responsibilities under Chapter 33. I understand that I am requesting to use my VA benefits. I am certifying all of the information is true and complete.
